Welcome to the 2015 Hout is Goud Day Breaker Challenge.

Jip, we are back again preparing this special event for all the athletes out there who are up for a real challenge. This will be the 5th year of the **Hout is Goud Day Breaker** challenge and what a great event it turned out to be. We as organizers will always see it as a privilege and honour to organize and host this event.

Klein Kariba holiday resort has again allowed us to use their resort as venue and we can't thank them enough for all the help and privilege to use their beautiful resort as venue for the 2015 **Hout is Goud Day Breaker** 12 hour\80Km Circuit Race Challenge.

Please phone them well in advance to book your accommodation (Chalets\Camping) for this upcoming event. (014) 736 9800

The 2015 Hout is Goud Day-Breaker Challenge.

We hereby challenge you to enter and complete our 80km 12 hour circuit race. Personally I don't think you will be able to complete the race and I would suggest you stick to the normal road races that you are used to.

If, for some reason, you think you are up for our challenge we will make sure that you experience blistering bushveld heat. We will give you just enough supplements to last a 2Km circuit and on top of that we will blast you with loud music and cheers each time you pass the counting station.

We will hand out spot prizes just to mock you and have the smell of braavleis tempting you to stop and call it a day.

Are you up for our challenge...? If so, then proceed and complete the entry form attached.

What will be different this year?

1. **We are now an official Comrades Qualifier race.** Yes, no miss print. Erika has negotiated with all the relevant parties and we have registered the race as an official Comrades qualifier. The implication of this is that an athlete may use his/her Day-Breaker time to qualify for the 2016 Comrades marathon.
2. We have new timekeepers and special electronic features to accommodate the potential Comrades qualifiers.
3. Klein Kariba has been rebuilt after the 2014 flood therefore our track will be super clean and the grass will be greener and smoother.
4. Newsletters will be sent to all entrants updating them on the progress of the 2015 event.
5. We have not increased the entry fees. You can be part of this years event without additional cost.

Do not miss on this special event. Complete your entry right now and be part of a unique charity race.
